Operation Dragon Fire Fundraising Program

HOW IT WORKS

An Upstander Family Reading Time Challenge

Similar to other pledge drives, here's how it works:

- ★ Students sell life lesson books instead of candy
- ★ Exciting prizes create incentives to motivate sales
- ★ Schools earn money for every book series sold
- ★ A chance to win a family trip to the National Day of Awareness Concert Event

"GAB Upstander Challenges help teach healthy learning and entrepreneurial skills while addressing the core issues surrounding bullying. By your generous spirit and support for your school or organization, you help provide vital funds to the school or organization and after-school programs in the area. I want to personally thank you for selecting a more positive approach to Changing the Culture of Learning, and enjoy these amazing best sellers we have for you and your family to collect!"
- Linda Lee - Generations Against Bullying

REGISTER YOUR SCHOOL AND LEARN MORE AT WWW.GABNOWPSA.ORG.

The school with the most pledges by December 31, 2019 will win 10,000!
